*We are sending you this letter along with the attached financial assistance application in response to your request. If you did not submit a request, please disregard this notice.*

Dear Patient/Applicant,

Resurrection Medical Center is driven by compassion and dedicated to providing personalized care for all, especially those most in need. It is our mission and privilege to offer financial assistance to our patients. Financial assistance is available only for emergency and other medically necessary care. Thank you for trusting us to care for you and your family for your healthcare needs.

Please complete the application, including your signature and date before returning it. If you completed an application within the past six months and were approved for financial assistance, please notify us. You may not need to complete a new application. We will not consider a prior application that is greater than six months old.

Along with the application, please provide a copy of at least one of the following items as your proof of income:

- Two (2) most recent paystubs from employer
- Most recent yearly tax return (if self-employed, include all schedules)
- Social Security and/or Pension Retirement Award Letter
- Parent/Guardian's most recent yearly tax return (if applicant is a dependent listed on their tax form and under the age 25)
- Other income validation documents
- Bank statements from last 3 months
- Receipt of unemployment benefits

If you receive assistance from, or live in a home with, family or friends, please ask them to complete the attached "Letter of Support" form. This will not make them responsible for your medical bills. It simply helps us understand how you are able to meet your living expenses. If you do not receive assistance from family or friends, please remember that your completed application and proof of income must be submitted for us to consider your request. Unfortunately, we cannot process incomplete applications.

Please keep in mind that email communications over the internet are not fully secure. While unlikely, there is a possibility that information you include in an email could be intercepted and read by someone other than the intended recipient. Because your application contains sensitive information, including your Social Security number, we want to protect your privacy and ensure your information remains secure. For this reason, we strongly encourage you not to send the application by email.

If you have any questions about the application process, please contact Resurrection Medical Center Patient Financial Services at 773-990-3289.

Sincerely,
